

U.S. Food and Drug Administration (FDA)
21 CFR Part 312 — Investigational New Drug Application (IND)
Incorporating ICH E6(R3) Good Clinical Practice Guidelines
Revised: 2026-02-01

SUBPART A — GENERAL PROVISIONS

Applicable to IND TR-2026-PHII-091-IND-4821 for compound-X42.

[illegible]

FDA-US-B.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-B.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-B.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-B.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-B.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-B.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-B.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-B.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-B.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-B.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

[illegible]

FDA-US-C.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

FDA-US-C.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

[illegible]

FDA-US-D.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-D.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-D.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-D.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-D.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-D.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-D.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-D.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1

FDA-US-D.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

FDA-US-D.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

[illegible]

FDA-US-E.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-E.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-E.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-E.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-E.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-E.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-E.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-E.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-E.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-E.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

[illegible]

FDA-US-F.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-F.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-F.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-F.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-F.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-F.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-F.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-F.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-F.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-F.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

[illegible]

FDA-US-G.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-G.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-G.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-G.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-G.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-G.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-G.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-G.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1

FDA-US-G.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

FDA-US-G.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

[illegible]

FDA-US-H.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-H.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-H.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-H.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-H.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-H.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-H.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-H.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-H.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

FDA-US-H.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

FDA-US-I.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII

FDA-US-I.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII

[illegible]

FDA-US-J.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII
 FDA-US-J.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII
 FDA-US-J.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII
 FDA-US-J.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII
 FDA-US-J.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII
 FDA-US-J.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII
 FDA-US-J.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII
 FDA-US-J.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII

FDA-US-J.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII

FDA-US-J.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHII

[illegible]

FDA-US-K.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-K.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-K.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-K.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-K.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-K.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-K.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-K.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-K.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-K.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

[illegible]

FDA-US-L.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-L.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-L.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-L.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-L.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-L.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-L.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI
 FDA-US-L.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-L.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

FDA-US-L.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PHI

[illegible]

FDA-US-M.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
 FDA-US-M.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
 FDA-US-M.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
 FDA-US-M.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
 FDA-US-M.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
 FDA-US-M.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
 FDA-US-M.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
 FDA-US-M.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

FDA-US-M.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
FDA-US-M.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

[illegible]

FDA-US-N.031: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-N.032: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-N.033: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-N.034: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-N.035: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-N.036: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-N.037: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1
 FDA-US-N.038: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH1

FDA-US-N.039: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH

FDA-US-N.040: All sponsors, investigators, and contract research organizations involved in study TR-2026-PH
